The remainder of the service hours can be filled through various volunteering opportunities listed during Parent Orientation or parents may opt to pay \$15 per unfulfilled hour.

I _____ (Parent) agree to pay Midlothian Montessori, LLC the net tuition for my child for the 2021-2022 school year. I understand that my obligation to pay tuition exists throughout the above academic year (Sept.-June), and that the departure of my child in no way diminishes the expenses of the school; therefore, my obligations remain for the academic year. No portion of fees will be refunded, transferred, or canceled in the case of absence, withdrawal or dismissal.
